## Plan Your Detour Now!

**Whipp Road Will Be Closed from the Far Hills Intersection Intersection Past the First Entrance to Our Parking Lot Starting August 1 — And It May Last for a Month!**

### Here's One Suggestion . . .

**If you are coming north on Far Hills Avenue from I-675**, turn left on Shadybrook Drive (it's the next road past the entrance to Bethany Village). When Shadybrook deadends, turn right onto Flemington Road. When Flemington deadends, turn right onto Whipp Road and the entrance to our store will be on your left just past the firehouse and bank.

**If you are coming south on Far Hills Avenue from Kettering**, go past Whipp Road, then turn right onto Shadybrook Drive (about ½ block past KFC). When Shadybrook deadends, turn right onto Flemington Road. When Flemington deadends, turn right onto Whipp Road and the entrance to our store will be on your left just past the firehouse and bank.
